

Making
Jesus known
and Real

Sudbury Baptist Church

As you are in no doubt aware, the national response to the outbreak of Coronavirus, Covid 19 has and will change our daily lives considerably for the time being. This has meant that we have had to cancel most of our meetings, but we are now in the processing of being able to restart some of them again. We will do our best to keep you updated via Facebook, Website, Emails and Phone calls.

This very challenging and unprecedented season offers us some unique opportunities and blessings. For one, as Christians this is where our discipleship is really proven. We continue to follow Jesus, trusting in Him, giving our days over to Him and living for His glory. We may not be able to meet physically together, but we have a great chance to be much more intentional about keeping in touch. Calling, emailing, messaging and even writing a letter to each other brings great comfort and support.

You can also find the Sudbury Baptist Church YouTube channel here. http://bit.ly/sbc_stream where you can find sermons and other video updates, please subscribe and click on the bell to receive notifications when more content is uploaded.

We hope and pray you all find peace at time and manage to use this time to slow down and focus on family and God. If you need anything at this time, if you are isolated and need food, want someone to talk to, need information or ideas on what to do then please get in touch and also like and follow out Toddler group and Messy Church Facebook pages.

For your prayers

- All those in our church family, and everyone in the wider community as we all adjust to the new way of living at the moment.
- That everyone is able to get the care and support that they need at this time, the no-one feels alone, and that everyone has someone that they can call on.
- All those that are ill, that they are able to get the healthcare that they need.
- All those that are feeling scared, that they have someone to comfort and support them.
- Today is a time for the nation to join together in prayer, and also in action, please reach out to anyone you might know who needs support at this time. Making Jesus Known and Real...
